

## Vision

Our vision is to provide an excellent, well-rounded education which celebrates academic, emotional and spiritual achievement and prepares everyone to fulfil their full potential in an inclusive environment in God's World.

## MISSION STATEMENT

# Many hearts make a school.

This is our school.  
 Let peace dwell here.  
 Let the rooms be full of contentment.  
 Let love abide here.  
 Love of one another, love of mankind,  
 love of life itself and love of God.  
 Let us remember, that, as many hands  
 build a house, so many hearts make a  
 school.

Rooted in the image of God, for all to love and flourish, our school: -

- values all God's children and keeps them safe from harm;
- is distinguished by the quality of care given to all our extended family of school, home and parish;
- promotes life-long learning in the hope of God's future for the world and supports everyone on their journey through life;
- promotes attitudes of self-reflection, mutual respect, tolerance, acceptance and responsibility;
- celebrates diversity and difference, treating everyone with dignity and recognising the ultimate worth of each person;
- aims to give every child the opportunity to develop their full academic, emotional and spiritual potential;
- promotes an understanding and appreciation of the relevance of faiths and world views and their impact on society and culture;
- builds Christian values into our ethos and enables children to encounter the teachings of Jesus and the Bible and the Christian belief in the Trinity.

Our ethos is underpinned by our Christian Values and God's love and compassion for all.

## Values

Our values permeate from the love in our hearts and are embraced by all members of our school family. We strive to nurture, encourage and challenge each other through our values, enabling all to flourish.
