

St George's Church of England Academy Admissions Policy

The Trust Board of SaGe Multi-Academy Trust is the Admissions Authority for St George's Church of England Academy. The Trust have made every effort to ensure that these arrangements comply with the School Admissions Code 2021 and all relevant legislation, including that on infant class sizes and equal opportunities. This arrangement follows consultation with the Local Authority, all other schools in the area and all other Admission Authorities in the area.

Our admission limit to the Reception Year group in September 2022 is for 60 pupils.

Parents (*"Parent" is defined in law (The Education Act 1996) as either: any person who has 'parental responsibility' (defined in the Children Act 1989) for the child or young person; or any person who has care of the child or young person.*) wishing to apply for the Reception Year in September must complete the common application form provided by their home local authority (the home LA). This form must be completed even if your child attends our Nursery or other school nursery /pre-school setting. The home LA is the LA in whose area the parents live at the time of the application. The form must be returned to that LA no later than **15th January**. Applications received after this date will normally only be considered after all those received on or before the cut-off date. Offers and refusals of places will be posted by the home LA.

Attendance at the nursery does not guarantee your child a place at the school.

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming St George's Church of England Academy will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below.

If the number of applications exceeds the number of places available, children will be admitted in the following order:

- 1. Looked-after children and children who were previously looked after**, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order.
By a "looked-after child" we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A 'child arrangements order' is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A 'special guardianship order' is one appointing one or more individuals to be a child's special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).
- 2. Children previously in state care outside of England.** This refers to children who were previously in state care outside of England, and have ceased to be in state care as a result of being adopted.
Children previously in state care outside of England means children who have been looked after outside of England by a public authority, a religious organisation or another provider of care whose sole purpose is to benefit society. The care may have

been provided in orphanages or other settings. In the case of children adopted from state care overseas, the admissions authority will require evidence that a child is eligible by asking the child's parents or carers for appropriate evidence of their previously looked-after status.

3. **Children who have exceptional medical or social needs** that make it essential that their child attends St George's Church of England Academy rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family.
When applying under this criterion (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring St George's Church of England Academy. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child's or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.
4. **Children living within the parish boundaries (Ecclesiastical boundaries) of St Laurence's (Middleton St George) and St Andrew's (Sadberge).** A copy of the map may be found within Appendix 1. If required a larger copy of a map showing the ecclesiastical boundaries may be viewed at the school office. In the event of there being more applications than there are places available for children falling within this criterion the following further order of priority will apply:
 - Children who will have an older sibling attending the school at the time of their admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
 - Children who live nearest to the school: This will be the distance from the front door of the home address (the front door of a block of flats) to the main school gate as designated by the Local Authority will be the deciding factor. This will be measured using the local authority GIS system/the local authority computerised measuring system with those living closest to the school receiving priority.
5. Children who will have an older sibling attending the school at the time of their admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
6. Children who live nearest to the school: The distance from the front door of the home address (the front door of a block of flats) to the main school gate will be measured using the local authority computerised measuring system.
7. Other children

Distance Tie-Break

Where there are places for some, but not all, applicants within a particular criterion, distance from the front door of the home address (the front door of a block of flats) to the main school gate will be measured using the local authority computerised measuring system will be the deciding factor. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Home Address

The home address is used for applying the admissions criteria. This means that when you state your school preferences you must give the home address of the child at the time of application, where they mainly reside Monday to Friday. You must not give the address of childminders or other family members who may share in the care of your child. For parents who may have more than one property, reference should only be made to the property in which they and the child(ren) mainly reside. If the main address has changed temporarily, for example where a parent resides with extended family during a period of sickness or takes up temporary accommodation due to building works/renovation, then the home address remains that at which the parent was resident before the period of temporary residence began. However, if you have sold your property (exchanged contracts) and have moved into temporary accommodation, you will be required to provide evidence of your situation and a decision will be made based upon the evidence provided. Where there are shared care arrangements, the home address will be where the child lives for the majority of the week Monday to Friday or where a court has determined their home address should be.

Waiting List

If your child's application has been refused due to oversubscription, you may want to consider putting their name on a waiting list for the school. Completing the 'options' form, which accompanies the offer/refusal letter, can do this. Offers off the waiting list will be made in accordance with the oversubscription criteria. If, however, you did not express an initial preference for the school then you must contact the school direct to request an application form. Waiting lists will be maintained until 31 December of the admission year.

Fair Access

The school participates in Darlington LA's Fair Access Protocol. This covers, for example, children who have moved into our area after the normal admission round, or who need to move school as a result of severe bullying or social issues. Children qualifying under the Fair Access Protocol may be offered a place even if there are no places available in the relevant year group and also take priority for admission over any child on the waiting list.

Multiple Births

Infant classes will be able to exceed the statutory limit, where the 31st child is a twin or from multiple births. The 'excepted pupil' will be allowed for throughout Key Stage 1 or until class numbers fall back to the current class size limit.

Appeals

Where a parent has been notified that a place is not available for a child, every effort will be made to help the parent to find a place in an alternative school. Parents who are refused a place have a statutory right of appeal. Further details of the appeals process are available from the school.

Admission of children below compulsory school age and deferred entry to school

The School Admissions Code requires school admission authorities to provide for the admission of all children in the September following their fourth birthday. However, a child is not required to start school until they have reached compulsory school age following their

fifth birthday. For summer born children (those born after 1 April) this can sometimes be almost a full school year after the point at which they could first be admitted.

Some parents may feel that their child is not ready to start school in the September following their fourth birthday. Parents are entitled to request in writing that:-

- their child attends part-time until they reach compulsory school age, or
- the date their child is admitted to school is deferred until later in the same academic year or until the term in which the child reaches compulsory school age. The school will hold any deferred place for the child, although, in the majority of cases, we find that children benefit from starting at the beginning of the school year, rather than part way through it.
- the date their child is admitted to school is deferred until the term after the child reaches compulsory school age.

The child must, however, start school full-time in the term after their fifth birthday.

If parents of summer born children wish to defer entry as outlined above and wish them to be admitted to the Reception Year in the term following their fifth birthday, rather than year 1, then parents should apply at the usual time for a place in September of the current academic year together with a written request that the child is admitted outside of his or her normal age group to the Reception Year in September the following year providing supporting reasons for seeking a place outside of the normal age group. This should be discussed with the Head Teacher as soon as possible. If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way for a Reception place in the following year. If their request is refused, the parents must decide whether to wait for any offer of a place in the current academic year (NB it will still be subject to the over-subscription criteria in this policy) or to withdraw their application and apply for a year 1 place the following year. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the previous Reception Year group.

Further information and advice on the admission of summer born children is available from The Admissions Team at Darlington Local Authority, DFE guidance and admissions code on The Gov.UK website (www.gov.uk/government/publications/school-admissions-code)

[Appeal where application is made outside of age range](#)

Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil's interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered then there is no right of appeal.
